## **Float Policy**

**12/28/2015**

Maricopa County Sheriffs Office float policy for all contracted labor at Maricopa County Correctional Health Services.

CHSX will do their best to accommodate any contractors who are being asked to float to a site that they have never worked/been oriented by having their core staff at each site show the contractor(s) around prior to starting assignment.

Please see the below breakdown.

- 1) Refuse to float 1<sup>st</sup> time--lose one shift**
- 2) Refuse to float 2<sup>nd</sup> time--lose a week**
- 3) Refusal to float 3<sup>rd</sup> time- asked not to return to work at MCSO**

By my electronic/signature below I acknowledge that I have received and understand the MCSO float policy for contracted (registry staff).
